

What goals in life are important to me and how do I behave to make them come true?

Which goal in the circle is the second most important to me? (Mark it with yellow) _____

How can I behave according to it at school? _____

Which goal in the circle is the least important to me? (Mark it with red) _____

How can I make sure I don't behave according to it at school? _____

Look at the goals directly opposite in the circle to your most important ones. Usually, people don't try to follow opposite goals. Can you see why?
